REPORT | 8/5/2015 | 20150617-B7691-1491420

[A 53 YOM, a 52 YOF & their 9 year old daughter experienced itching on their body & also suffered...](#)

Incident Description: A 53 YOM, a 52 YOF & their 9 year old daughter experienced itching on their body & also suffered respiratory issues. The mesh that covered the mattress cover was coming apart. She found that fire retardant layer around the foam was causing the itching on their body.

Product: Nonbaby Mattresses (4009)

Product Description: 12" thick memory foam mattress California king size Submitter Identified manufacturer address: 461-469#, Huangzhu Road, Jimei District, Xiamen City, Fujian Province, China

Injury Info: Seen by Medical Professional

Manufacturer / Importer / Private Labeler: ZINUS INC

REPORT | 1/10/2017 | 20161210-28284-2147409990

[The consumer stated that they purchased 3 memory foam mattresses and have had one of them shed...](#)

Incident Description: The consumer stated that they purchased 3 memory foam mattresses and have had one of them shed it's glass fiber flame retardant layer over an entire room. Now a second twin size mattress is having the same issue. Reported health issues to 5- and 8-YO daughters.

Product: Nonbaby Mattresses (4009)

Product Description: Spa sensations 8 inch memory foam mattress.

Injury Info: No First Aid or Medical Attention Received

Manufacturer / Importer / Private Labeler: ZINUS INC

Business Comments: This customer was fully satisfied by the response of our customer service team and we consider this matter closed. We use a common and federally approved fire barrier instead of chemicals to protect our mattresses and somehow this customers was damaged over time.

REPORT | 1/23/2017 | 20161219-FE0D5-2147409155

[The consumer, 47, stated that she and her husband, 52, have been itching for over a year due to...](#)

Incident Description: The consumer, 47, stated that she and her husband, 52, have been itching for over a year due to glass fiber inner shell on their memory foam mattress that they discovered was torn and penetrated through their brand new sheets.

Product: Nonbaby Mattresses (4009)

Product Description: Mattress for bed.

Injury Info: No First Aid or Medical Attention Received

Manufacturer / Importer / Private Labeler: ZINUS INC

Business Comments: We have been in contact with the customer and are resolving to her satisfaction. Glass fiber is a federally approved and commonly used fire barrier for mattresses instead of chemicals. For it to be an irritant it must be damaged in some way.

REPORT | 7/26/2017 | 20170524-913FD-1665708

[Consumer said that the glass fibers are coming out of the mattress & they cause irritation to...](#)

Incident Description: Consumer said that the glass fibers are coming out of the mattress & they cause irritation to skin when in contact & are extremely difficult to extract from fabrics. The mattress caused undue financial & emotional stress to consumer's family that includes 6 MO baby.

Product: Nonbaby Mattresses (4009)

Product Description: Memory foam mattress

Injury Info: Incident, No Injury

Manufacturer / Importer / Private Labeler: Dorel Home Products

Business Comments: Dorel Home Products (DHP) manufactures and imports products that meet federal and state mandatory regulations. In order for mattresses to meet federal flammability requirements, DHP uses physical fire retardant barriers, including barriers that use a continuous strand glass fiber / mod acrylic woven sock. These materials are used industry-wide on foam mattresses, and generally present no health concerns.

REPORT | 10/6/2017 | 20170913-7FE84-2147397459

[A 28 YOF Consumer reported that when they opened mattress cover, glass fibers have spread &...](#)

Incident Description: A 28 YOF Consumer reported that when they opened mattress cover, glass fibers have spread & covered her & her 35 YOM fiancé. They both suffered painful itching & asthma-related symptoms. Consumer had throat & neck swelling. She received medical treatment.

Product: Nonbaby Mattresses (4009)

Product Description: Zinus Memory Foam 10 Inch Green Tea Mattress, King Size

Injury Info: Seen by Medical Professional

Manufacturer / Importer / Private Labeler: ZINUS INC

Business Comments: General Comment Re: Report No 20170913-7FE84-2147397459. Thank you for the report regarding the Zinus Memory Foam 10 Inch Green Tea Mattress. Zinus takes reports of potential product safety issues seriously and is investigating the matter. In this case, the consumer reported that a memory foam mattress purchased on 9/28/2016 caused fiberglass to be spread throughout the consumer's bedroom, furniture and clothing. The consumer attempted to "spot-cleaned" a small amount of paint that had...

REPORT | 11/27/2017 | 20171025-50622-2147396490

[23 YOF removed cover encasing mattress to wash & noticed mesh sock like material covered unit....](#)

Incident Description: 23 YOF removed cover encasing mattress to wash & noticed mesh sock like material covered unit. Within material was glass fiber & it infiltrated in home & contaminated clothes, furniture, etc. She, 23 YOM & 6 YOM are breathing in this substance. 6 YOM was injured, no 1st aid.

Incident Description: (59 YOF) Mattress encase cover is made with glass-fibers. I removed the mattress zipper cover to wash & soon after I started itching. I looked at my pants and full of glass-fibers. I was wearing a pair of jeans & leggings & the glass-fibers penetrated both.

Product: Nonbaby Mattresses (4009)

Product Description: Spa Sensations 5 Memory Foam Youth Mattress Multiple Colors

Injury Info: No First Aid or Medical Attention Received

Manufacturer / Importer / Private Labeler: ZINUS INC

Business Comments: Zinus' mattresses have an inner fiberglass fire barrier that is used to comply with the federal fire retardant regulations under 16 CFR 1633 and the California regulations of Technical Bulletin 117-2013. The fiberglass fire barrier is a healthier alternative to compliance with fire retardant regulations than by using fabrics treated with fire retardant chemicals. The incident report states that Zinus' inner fiberglass fire barrier "would let off toxins, i.e., Formaldehyde" if there were...

REPORT | 7/18/2019 | 20190618-0E4EF-2147380371

[The fiberglass in 26YOM mattress had gotten out of the protective layer,...](#)

Incident Description: The fiberglass in 26YOM mattress had gotten out of the protective layer, however there were no punctures/holes in the mattress. 26YOM had mattress for a year. Fiberglass got over clothes, blankets, carpets, etc. Caused itching and irritation to 26YOM skin.

[Consumer developed minor breathing difficulties and several rashes after using the mattress at...](#)

Incident Description: Consumer developed minor breathing difficulties and several rashes after using the mattress at home. Consumer removed the mattress cover to wash it and noticed small insulation particles in the air. Consumer's COPD and asthma have been aggravated by the particles.

Product: Mattresses, Not Specified (4010)

Product Description: Full Size Zinus Spa Sensations Foam Mattress. White.

Injury Info: Level of care not known

Manufacturer / Importer / Private Labeler: ZINUS INC

Business Comments: The incident report 20191223-0A3D0-2147375857 states that the consumer removed the mattress cover of the Zinus Spa Sensations mattress in order to wash the cover. Then, once the consumer removed the mattress cover, she noticed fiberglass particles floating everywhere in the air, and now everything she owns is purportedly covered in the fibers. The mattress cover is not to be removed—ever. Doing so is product misuse. The care instructions, which are attached to the mattress adjacent to...

[32 YOF consumer reports that the foam mattress appears to be shedding...](#)

Incident Description: 32 YOF consumer reports that the foam mattress appears to be shedding fiberglass. She is able to rub a dark fabric over the mattress and the fabric is covered in fiberglass. This is dangerous as someone could inhale it while sleeping or cut themselves on it. Unsafe.

Product: Mattresses, Not Specified (4010)

Product Description: Signature Sleep 12 Inch Memory Foam Mattress Memory Foam Mattress, standard/full size. Model: 5475196 Prototype: DHP-MF1205-1215J

Injury Info: No First Aid or Medical Attention Received

Manufacturer / Importer / Private Labeler: Dorel Home Products

Business Comments: In order to meet US federal mattress flammability standards, many foam mattresses are constructed with a non-removable fire retardant knit barrier that includes glass fiber threads. Glass fiber threads in the barrier/inner cover are secured beneath the mattress cover and consumers are advised on the care labels to not remove the cover, and to spot clean only. The consumer provided images that corroborate the presence of the DO NOT REMOVE COVER label. The woven fire retardant sock is not...

Product Description: Wellsville California king size mattress (14" memory foam mattress)

Injury Info: Seen by Medical Professional

Manufacturer / Importer / Private Labeler: CVB Inc

Business Comments: 1.) Some mattresses CVB INC produces use a modacrylic fiber composition, which includes continuous filament glass fiber threads, as part of the fire-retardant barrier to meet the requirements of CA TB 117-2013, 16 CFR 1632, and 16 CFR 1633. This specific mattress contains this modacrylic fiber composition which is federally approved and is widely used in the mattress and upholstered furniture industry. According to the CPSC, this technology presents no health concerns. Furthermore, it is...

[24 YOM consumer's mattress did have fiberglass despite advertisement stating...](#)

Incident Description: 24 YOM consumer's mattress did have fiberglass despite advertisement stating there is none. Consumer removed cover and fiberglass spread all over house. Consumer visited doctor for breathing issues.

Product: Nonbaby Mattresses (4009)

Product Description: King mattress by AceSleep Info from Acesleeps.com: Just Right Designs Made A Better Mattress 1. Luxury Cool & Soft Mattress Cover Cool movable and washable mattress cover made of fabric that is cool to the touch, regulates heat at an ideal temperature all night long, even on those 90 degrees Fahrenheit nights. It is anti-pilling, anti-bacteria and mites. Oeko-TEX Certified. 2. Fireproof Barrier The Fireproof layer is made of the same fabric used in bulletproof vests, it does not contain any Glass Fiber or flame-retardant chemical additives. CFR1633 certified to protect against fire. 3. Open Cell Memory Foam 2.5" The Open-cell Gel Memory Foam is proved to sleep 25% cooler than traditional petroleum-based polyurethane. 4. Bamboo Memory Foam 2" Bamboo charcoal eliminates odors, absorbs excess moisture(if you live in Louisiana or Hawaii, definitely give this mattress a shot), regulates temperature, and is an excellent choice for people with allergies. 5. Gel Infused Memory Foam 1.5" Gel memory foam wicks away heat, keeping you cool throughout the night. Adding gel microbeads to memory foam increases the density of the memory foam as well, creating a surface that's soft, yet firm. You won't experience that hot, sinking feeling. 6. Durable High Dense Base 6" The high-density core base support foam keeps the mattress from deformation, collapse, and provides unparalleled support during the night.
